

**TO MAKE A BIG IMPRESSION.**

That's better.

## ALL YOU NEED IS DSL HIGH SPEED INTERNET SERVICE FOR BUSINESS.

DSL HIGH SPEED INTERNET SERVICE GIVES SMALL BUSINESS A BIG BOOST.

### INCREASE YOUR EFFICIENCY

Interacting with customers via email is faster, easier and less expensive than by post or courier. Contacting customers by email and posting information online can also save you the cost of printing brochures and newsletters. And with high-speed Internet access, staying on top of industry trends and competitive information is quick and easy for you.

### INCREASE YOUR SUPPORT

Get online with us and you'll have access to a dedicated customer support line that offers business expertise and fast, 24-hour response. Plus you'll get everything you need to build a better online business, including your own personalized domain name, web-hosting and domain emails, such as [invoicing@yourcompany.com](mailto:invoicing@yourcompany.com). Not to mention lightning fast access to all the Internet has to offer.

### INCREASE YOUR PROFILE

An online presence instantly projects greater professionalism. A registered domain name establishes your business as a credible, viable option for customers checking the Web before they buy. In fact today, having a Web site is just as important as having business cards.

### INCREASE YOUR REACH

When you have a Web site, you can open the doors of your business to the world. It's easy for customers to find you, and find out what you offer. In effect, you have information available to potential customers 24 hours a day.

SO WHAT ARE YOU WAITING FOR? CONTACT US BEFORE OCTOBER 31<sup>ST</sup> TO TAKE ADVANTAGE OF OUR SPECIAL OFFERS.

Visit [mts.ca](http://mts.ca), your nearest MTS Connect store or MTS Dealer or call 1 877 BIZ-INET (1 877 249-4638) or your MTS sales representative.

Service available in select areas. Special offers apply to the first 3 months of business plans contractually priced at or above \$69.95 a month on a one year contract and are available to new DSL High Speed Internet customers only (defined as customers who have not had any DSL Internet service from MTS in the past 3 months). After first 3 months of service, pricing will revert to regular pricing on chosen Internet plan. Offer expires October 31, 2002. The Internet Services Agreement (Business can be terminated by customer upon 60 days advance written notice, subject to payment of the charges specified in the contract. After the first year of service, the standard domain name registration fee of \$30.00 annually for each registered domain name will apply. Domain name registration is subject to availability of the chosen domain name. Limitations apply to the amount of web space and number of domain emails allowed, depending on the chosen plan.
