THE SPLURGER

Sure he's extremely good looking, but don't let his handsome exterior fool you. The Splurger is a voracious shopper skilled at the art of retail. His credit card knows no limits and he has the super human ability to carry 12 full shopping bags at once and still be able to open the trunk of a car. It's a skill most valuable to the SUPER 7 winner, and will be taught if they prove worthy. The Splurger uses a firm styling gel in his hair so it stays neat while he runs around and shops.
