

**Find out you have nothing to wear today a whole lot faster.**

Bedrooms you feel good in. If, by some chance, you're going to try on ten different outfits every morning, it might help to know where they all are. Enter PAX – it's the wardrobe solution that fits itself to you. You choose the size, style and even the interior layout. So whether you have 50 blouses and 2 pairs of shoes (as if!), or vice versa, you'll know exactly where they are. Plan your PAX in store or online at [www.IKEA.ca](http://www.IKEA.ca).
