your horoscope

Today's Birthday:

You are right out front with much of yourself this year, and your evident talents in many areas win acclaim from others.

ARIES (March 21-April 19)
Financial matters are highlighted for the next week. Ideas and opportunities that arise should be explored thoroughly for their potential in real terms.

TAURUS (April 20-May 20)
You may be too pooped to pop for a day or two. Don't allow flirtatiousness to make promises you can't keep now.

GEMINI (May 21-June 20)
Yesterday your thinking could have been all over the map, or you could have focused on real or imagined slights.

CANCER (June 21-July 22)
Family may be an important topic early this morning, but probably will not linger on as a focus.

LEO (July 23-Aug. 22)
Today you again have something of a breather, and getting the basics done should be a snap.

VIRGO (Aug. 23-Sept. 22)
You are filled with unconventional solutions to problems, and should encourage this ability of yours to think outside the box now.

LIBRA (Sept. 23-Oct. 22)
Quiet times are probably what you can expect today, though by Sunday your popularity will soar.

SCORPIO (Oct. 23-Nov. 21)
If single, you will hardly be able to keep admirers at bay, and even long-committed Scorpios find their relationship heating up interestingly.

SAGITTARIUS (Nov. 22-Dec. 21)
You are able to achieve a balanced perspective now, so this is a good time to make decisions as well as take previously planned actions.

CAPRICORN (Dec. 22-Jan. 19)
Business and career matters could still be something of a minefield, with positive opportunities entangled with pitfalls.

AQUARIUS (Jan. 20-Feb. 18)
Today is a good day for new beginnings in general. Things should be going quite well in many parts of your life.

PISCES (Feb. 19-March 20)
It is important to remember that much can be accomplished inwardly even if progress seems slow outwardly.
