

# Some people are born chefs. This is plan B.

Kitchens you dream about. Just because you're not, shall we say, adept in the kitchen doesn't mean it's too late to love it. We, at IKEA, feature 20 magnificent kitchens that would inspire any novice to slice, dice, and fricassee their way to five-star status. Each is backed with a 10-year limited warranty and at prices that won't break your budget. We also feature full delivery and installation services in case you want to work on your culinary skills and not your handyman ones. Check out [www.IKEA.ca/kitchens](http://www.IKEA.ca/kitchens) for all our kitchens and more ways to release your inner gourmet.
